

LYN BARNES & ALAN THOMSON

GRAYDON GALLERY 2009

The 2009 Lyn Barnes & Alan Thomson annual exhibition at Graydon Gallery will be presented a little differently from previous years. To accommodate valued clients, this year there will be a preview from 4pm to enable viewing unhindered by the hurly-burly of opening night. In the evening the charitable group Women in Racing will host a cocktail party during which an auction of special pieces will be held to assist Equine Influenza research.

Lyn & Jack Barnes together with Alan & Vernetta Thomson warmly invite you and your friends to view Lyn & Alan's latest works and enjoy a glass of wine at either the preview or in the evening.
